### Paid Protected Time (PPT)

DISH will treat the first 40 hours¹ of PTO as Paid Protected Time (PPT) each year. You can use the time for anything you would like, but we recommend you save it for unexpected things like illnesses, family emergencies, or other extenuating circumstances that prevent you from following your department's attendance policy.

If you're rehired within 455 days of separation, previous service time will count towards your accruals. If rehired more than 455 days after separation, you will begin to accrue at the new hire rate.

You can find your earned PPT balance in the "Time Off" area of your HR Link profile. For more information, please see our Time Away policy on The HOP.

<sup>1</sup> Some states, cities, or municipalities may require more than 40 hours of PPT — if you work in one of those locations, you will receive an additional number of PPT hours as required by your local laws. Some states also require PPT be provided to part-time employees. See the "State and Local Rules" section above for more information on your location. Navigate to Ask HR for help under Ask HR in HR Link for questions about your specific location.

 $<sup>^{2}\,</sup>$  Once maximum accrual in PPT bank is satisfied, all time will accrue to PTO bank.

<sup>&</sup>lt;sup>3</sup> You will receive an email from Fidelity prior to your 90th day of service showing your account has been created. You will be enrolled automatically at 3% contributions. Rehires will not be automatically enrolled. For contract-to-hires (CTH), no service credit will be provided for the 401(k) plan. To manage your account, including changing contributions or declining enrollment, contact Fidelity at www.401k.com or 800-835-5095.

<sup>&</sup>lt;sup>4</sup> Once eligibility has been met, employees are able to elect ESPP on or before the 15th of the month prior to the start of the following quarter for an effective date of the first of the month. For contract-to-hires (CTH), no service credit will be provided for the ESPP. New elections and any changes to deductions are subject to DISH's Insider Trading Policy.
